

A License Tag Helps You, Your Pet and the Community!

- **Prevent Rabies:** Pets can be licensed after receiving a rabies vaccine.
- A license tag helps lost pets to be **reunited with their owner**.
- License tag money **helps homeless animals** at the shelter.
- A tag on a lost or injured pet helps Animal Services **return the pet to their home or to their own veterinarian** for treatment until the owner can be reached.
- **Without a tag , your pet becomes just another stray.**
- Tag money goes toward **educating children** on how to care for pets and be kind to animals!
- Owners get a **reminder notice** when it's time for their pet's shots.
- License tag money funds the dog **Spay/Neuter Rebate Program** and helps reduce pet overpopulation in Pasco County!
