**Subject: DRI #255 - Bexley Ranch, Notice of Proposed Change, Pasco County**

Dear Mr. Harcrow:

This correspondence serves as acknowledgment that the Tampa Bay Regional Planning Council previously received the above referenced NOPC application and *NOPC Review Fee Contract* on December 31, 2008. However, the required review fees for the Tampa Bay Regional Planning Council and Pasco County were not submitted until today. Therefore, with today constituting commencement of the 30-day review process, the Council will be submitting our comments on Friday, February 20, 2009. Review agencies are requested to submit their comments and/or issues to my attention **on or before Thursday, February 19, 2009** in order to be included with the Council's future correspondence.

If you should have any questions, please do not hesitate to contact me here at the Council (ext. 29). Thank you.

Sincerely,

  
John M. Meyer  
DRI Coordinator
