Dear Valued Vendor:

In an effort to reduce costs and improve communication with vendors, Pasco County has joined The Florida Online Bid System. Effective **March 1, 2010**, all bids, quotes, addendums and awards will be posted through this convenient site.

This automatic bid notification system allows your company to receive emails anytime Pasco County has a bid opportunity that matches your company's business. In addition, the site handles bid opportunities, RFPs, and RFQs for 13 other governmental agencies as well.

To receive future bid opportunities from all of these agencies, we invite your company to register online. Visit www.FloridaBidSystem.com, and use the "Vendor Registration" link to complete the registration form. **If you are currently registered as a vendor on this system, you do not need to register separately for Pasco County.**

By creating an account, your company will receive access to bid opportunities from all 14 participating agencies! To view the list of these participating agencies please visit www.FloridaBidSystem.com and click the link at the top of the page. In addition, this system offers an e-mail notification service to automatically send you a message each time any of the participating agencies issue bids, addendums, and awards that match your selected product and service codes. The annual fee for this automatic service is \$49.95 per year, less than the cost of a subscription to a single local newspaper.

If you need assistance, please call our support department at IPT by BidNet, toll free at 1-800-677-1997, Ext. 214. To expedite your request, please ask for The Florida Online Bid System. We look forward to providing you with quick and convenient bid information through this system. We thank you for your cooperation and welcome your participation!

Sincerely,
