

Her Last Call Was From A Cell Phone...

Do you see the motorcycle?

Now do you see it?

The Honda crotch rocket rider was traveling at approximately 85 mph. The VW driver was talking on a cell phone when she pulled out from a side street, apparently not seeing the motorcycle. The riders reaction time was not sufficient enough to avoid this accident.

The car had two passengers

and the bike rider was found INSIDE the car with them.

The Volkswagen actually flipped over from the force of impact and landed 20 feet from where the collision took place.

All three involved (two in the car and the bike rider) were killed instantly. This graphic demonstration was placed at the Motorcycle Fair by the Police and Road Safety Department..

A picture is worth a thousand words.

Save a life...

Stop talking on Cell phones and Texting while trying to drive.
The life you save may be your own...or mine.
