Community Development Division Update - July 13, 2010

Subsidized Apartments Coming to Port Richey

The Florida Housing Finance Corporation announced that a new 108 unit apartment complex for seniors has been approved. The apartments will be built

on Ridge Road, east of Rowan Road. The \$8 million construction project scored well because the County provided \$225,000 in match funds.

Pasco Receives Extra Homeless Funding

The Florida Department of Children and Families awarded Pasco County \$165,747 in Homeless Prevention and Rapid Re-Housing funds to help homeless families move into housing, and those at risk for homelessness pay for rent and utility payments. These funds will be allocated to not-for-profit agencies that will distribute these funds to families in need.
