

DOGS ON LEASHES

Pasco County Parks and Recreation Department has two Dog Parks located at the Land O' Lakes Recreation Complex and at the Anclote Gulf Park in Holiday. These two parks allow you to let your dogs run free to play with other dogs in a big fenced area designated for small and large dogs.

We also allow dogs on leashes at the following parks:

- Crews Lake Wilderness Park
- Key Vista Nature Park
- Lake Lisa Park
- Jay B. Starkey Wilderness park
- Wesley Chapel District Park
- Withlacoochee River Park

There are signs posted at each of these parks, showing the designated areas where dogs are allowed.

Note:

You can find the locations of the parks listed above on our website under Park Information, click on the "Miscellaneous" folder and look for "Park Locations and Amenities".
